RE: Kiewit Project - Tooele County Large Mine Notification

In Reply Please Refer to Case No. 10-0402

Dear Ms. Heppler:

The Utah State Historic Preservation Office received your request for our comment on the above-referenced project on March 31, 2010.

After review of the area of potential effect, USHPO recommends to DOGM that a cultural resource contractor be hired to determine potential effect to sites with this undertaking. Much of the 4 sections outlined have been surveyed and a number of sites located. Within the permit area, there is potential to affect known eligible cultural resource sites.

This letter serves as our comment on the determinations you have made, within the consultation process specified in §36CFR800.4. If you have questions, please contact me at 801-533-3555 or Lhunsaker@utah.gov or contact Jim Dykman at 801-533-3523 or Jdykman@utah.gov

Sincerely,

Lori Hunsaker
Deputy State Historic Preservation Officer - Archaeology
